VOTE NANCY MOBLEY
FOR SCHOOL BOARD!

TUESDAY MAY 6,
2008. SEE YOU AT
THE POLLS

Beech Grove is known statewide, and recently nationwide, for their commitment to education. Education for the twenty-first century is crucial for the advancement of our society from the local to national level. I want to make sure that our students are prepared for life in today's world. I want Beech Grove's sons and daughters to have the opportunity and the ambition to launch themselves to the next dimension of their lives no matter how high the dream.

I can make a difference on the BG school board in making our schools a better foundation for all our students' futures.

Thanks for Your Support,

Nancy Mobley
